

FORMAL UNIFORM

Formal uniform is a significant element which identifies the students with the school.

We request that our students represent the school properly.

Each parent expects that the photographs of the school events will present all students in formal attire.

Some years later we look at those photos with

This is how we look like in formal uniforms...

and we look just perfect

A jacket should have
a classic cut and classic color.

*Peplums, frills, and white trimmings are better for other occasions

Formal shirts are white

Other elements of a formal uniform are classic navy blue trousers and school skirts/dresses

The navy blue tights are an integral part of the formal uniform 😊

...and ties are compulsory

We recommend the shoes which match formal uniform, i.e. formal shoes or black / navy blue sneakers

From Monday to Thursday the students wear Polo T-shirts with the school's logo and dark trousers or skirts/dresses

*A student who does not wear a school T-shirts from Monday to Thursday cannot receive an exemplary behavior grade.

THE INTERNATIONAL SCHOOL

We wear colorful clothes and tights on Fridays...

...or for other special occasions

THE INTERNATIONAL SCHOOL

...or for exceptional performances 😊
