Grade 1 Newsletter – February in Review

February has been a very special month filled with much love and special wishes. We had a great time celebrating Valentines Day at school!

In Language Art, the students have been learning new vocabulary words about Valentine's Day. They have also been learning about 'Articles' in grammar.

In Mathematics, the students have been

learning to skip count by 2's, 5's and 10's. The students have made number puzzles and have also looked at patterns on a hundreds chart.

In Science, the students have been learning about Recycling. They have been learning about the 3R's- 'Reduce, Reuse & Recycle'. They also reused recycled materials in class and created new items.

In Social Studies, the students have been learning how to help others. They have been learning about how to help others in the community, at home and at school.

Happy February!

Miss.Sandra
