Exams for teenagers

A2 Key for Schools (KET for Schools), B1 Preliminary for Schools (PET for Schools) and B2 First for Schools (FCE for Schools) are Cambridge Assessment English international exams recommended for young people aged 11 to 17. Topics and topic shots are adjusted to the interests and experiences of this age group. The certificate is valid indefinitely, is no different from the standard version (the certificate states that the child have taken the KET, PET or FCE exams) and is recognized by the same state institutions, schools and future employers.
