

# October

## Grade 0 Newsletter – October in Review

Dear Parents,  
As we are about to enter a new month we say so long to October. The children were busy learning new things this past month.

We started October off by learning about Fall/Autumn, Halloween and Thanksgiving. We continued to focus on numbers 1-8 and worked on letter recognition through songs, games and worksheets. Each week we focused on a different letter and

number and went in depth with how to identify the letter, the sound and how to write in numeral and word form. In October, we focused on letters E,F,G and H. Numbers 5,6,7 and 8.

The children love to sing along to our daily songs and their favorite October nursery rhyme was Humpty Dumpty.

We have also been busy with creative arts

this month. Some of the things that we made in October were fall hedgehogs, jack-o-lanterns, leaf sceneries and many more. We also went outside and had letter scavenger hunts.

We also introduced the five senses and the students enjoyed participating in both our tasting and smelling test. They learned to identify different tastes such as salty, sour, bitter and sweet.

## Pictures, pictures, pictures!

Miss. Sandra

### IMPORTANT DATES:

8-9 November Parent Teacher Meetings

11 November- Independence Day

25 November- Patriotic Day
