

October

Grade 1 Newsletter – October 2021 in Review

Introduction...

October was a busy month in Grade 1! Between trips, Thanksgiving, Pumpkin Day, Empathy Day, and Pledge Day, we were able to fit in some learning as well!

In English Language, we spend Tuesday mornings reading online at kidsa-z.com. Most of the students have leveled up at least once already as they work hard on improving their English reading skills. We began our spelling lessons and had our first practice quiz. Additionally, we spent much time learning and practicing our text and song for Pledge Day.

In Mathematics, we finished the first part of counting by learning to

skip count by 2's, 5's, and 10's. We have started to learning about fact families in addition and subtraction.

In Social Studies, we learned about ourselves and what makes up special. The students completed a project in which they each made a poster to show what makes them special and then presented it to the class. The students that completed this project all did a fantastic job with their posters (some were very creative!) and presenting in English.

In Science, we completed our study of the seasons and weather. We have begun to learn about the 5 senses (touch, sight, sound, taste, smell).

In Art, we continued our learning about art from China. We painted watercolor Koi fish and started to make our Chinese dragons. We also colored some pumpkin pictures on Pumpkin Day!

Happy October!

Ms. Sue Conner

IMPORTANT DATES:

November:

- 8** – Parent Meeting
- 11** – Independence Day – no school
- 12** – No school
- 25** – Patriotic Eve begins

Pictures, pictures, pictures!
