

December

Grade 3 Newsletter – December 2021 in Review

Introduction... Well, we spent part of December online and part together at school, but had some good learning happening both times!

In English Language, we wrote a retelling of a familiar story, such as "The Three Little Pigs," "Goldilocks and the Three Bears," or "Little Red Ridinghood." The students have shown much progress in being able to organize their thoughts in their writings; we still need to work on spelling and basic grammar. We also spent time learning about Christmas in various countries. We will begin our class discussion and reading of "Anne of Green Gables" in January when we return from Christmas break.

In Mathematics,

we began learning about geometry and some attributes of shapes, such as parallel lines, angles, and different shapes.

In Social Studies, we started learning about geography and map skills.

In Science, we continued to learn about soil. We were able to watch a very interesting video which illustrated how plants and leaves can help prevent soil erosion.

In Art, we drew and colored Santa's Workshop, learned to cut out snowflakes from folded paper, and drew an elf on the shelf.

Happy December! I wish you and your

family a very Merry Christmas and a Happy New Year!

Ms. Sue

IMPORTANT DATES:

23 December – 31 December 2021 –
Christmas break

3 January 2022 – classes resume online
