

December

Grade 0 Newsletter – December in Review

Dear Parents,
The Holiday Season is upon us and I want to wish all of our families a wonderful and restful holiday. December has flown by as it has been a short month. The students have been in great spirits all month as Santa comes on December 25th!

This month we learnt all about Christmas! The students learned Christmas songs and vocabulary words. The

students made Christmas crafts in class such as Snowmen, Christmas trees and Christmas Cards. The students not only had a blast in the classroom but also enjoyed playing outside in the snow and sliding down the hill in the playground.

During this month, the students learned the days of the week and the months of the year through songs. We continued to work on

number and letter recognition through games and worksheets. Each week we focused on a different letter and number and went in depth with how to identify the letter, the sound, how to write in numeral and word form.

In December, the students also made presentations about their families and friends.

Happy December!
Miss.Sandra
