

November

Grade 2 Newsletter – November in Review

Dear Parents,
I hope you are all doing well. November is already here and the students are very excited for the holiday season to begin!

During this month, the students were busy learning about World Kindness Day, which is celebrated on November 13. The students enjoyed making 'The Kindness Donut' craft in class and participating in the 28 day Kindness challenge.

We also talked about the Mexican Holiday 'Day of the Dead' and made fun masks to celebrate the tradition!

The students have been reading the novel 'Aliens for Breakfast' in class. Each week the students have been working on activities and answering questions about each chapter. We have also been focusing on how to use the verb tenses correctly.

In Mathematics, the students have been

learning to tell the time by focusing on half past, quarter past and quarter to.

In November, the students have been learning about the characteristics of air and looking at different examples of air in the environment through videos and songs.

Happy November!

Miss.Sandra
