

February

Grade 3 Newsletter – February 2022 in Review

Introduction... For being the shortest month of the year, it seemed like February lasted forever! And we only had 2 weeks of school because the month started with winter break! It was great to get back to school and to get back to normal teaching.

In English Language, finished our novel study of Anne of Green Gables by writing a compare and contrast of Anne Shirley (Anne of Green Gables) and Mary Lennox (The Secret Garden). We resumed spelling lessons and quizzes just in time to take a short break due to the spelling bee! We continued grammar lessons focussing on subject-verb agreement. We also continued practicing

reading at individual levels and pace online at kidsa-z.com each Thursday.

In Mathematics, we finished our study of geometry and began to improve our understanding of multiplication and division.

In Social Studies, we will begin focusing our social studies lessons on the history and geography of Canada.

In Science, we have continued learning and force and motion.

In Art, we started to learn about different artists and their style of art. We began with Piet Mondrian and created an abstract piece similar to Mondrian's style.

Happy February!

Ms. Sue

IMPORTANT DATES:

- 2 March – Spelling Bee – class competition
- 9 March – Spelling Bee – school finals
- 11 March – Math Day
