

March

Grade 0 Newsletter – March in Review

Dear Parents,
It's hard to believe that we only have 3 months left of school. Not only are we entering a new month, but also a new season. Spring is fast approaching as the nicer weather is well on its way!

In March, the students learned to add and subtract numbers. We continued to play games using our class smartboard and focused on using

numeral questions rather than using symbols and pictures.

We focused on reading and spelling CVC words. Each day the students were asked to use their knowledge of the letter sounds to try to sound out the letters to spell each word. We also focused on identifying rhyming words through nursery rhymes and songs. The nursery rhyme

'Hey Diddle Diddle' and 'Humpty Dumpty' were two favorites this month.

This month the students made presentations about Living and Non-living things. I am so impressed by their hard work in class and I am so proud of them!

The students made crafts for St.Patrick's Day and for Spring.

Happy Learning!
Miss.Sandra
