

April

Grade 0 April in Review

Dear Parents,
Happy Easter! I hope you had a wonderful break. This month has been a busy time with many preparations for Earth Day and Easter.

In Language Art, the students have been learning about CVC words and vowels. We have been doing a lot of reading in class and the students have begun to read simple sentences too.

In Math, the students have been learning about patterns. We have been focusing on different types of patterns such as AB, ABB, ABC and AABB patterns using math manipulatives.

In Science, the students have been learning about the parts of the body. We sang the song 'Head, Shoulders, Knees & Toes' and 'Simon Says'.

In Art, the students have been making many spring and Earth Day crafts.

Happy Learning!

Miss.Sandra
