

Grade 1 Newsletter – May 2022 in Review

Introduction..May was a busy month with learning and activities. We ended the month at Green School having fun and learning new things!

In English Language, we read our second Nate the Great novel and practiced summarizing the chapters. We also learned a new spelling game called Sparkle. We used the game to help us prepare for our spelling quizzes.

In Mathematics, we learned out to tell time to the hour and half hour on an analog clock.

In Social Studies, we learned about what we can find in our communities.

In Science, we learned about plants and the parts of a plant. We planted seeds to grow flowers for Mother's Day.

In Art, we drew abstract art and colored it. We also drew and colored with Art Hub for Kids on youtube.com

Happy May!

Ms. Sue
