

Grade 3 Newsletter – May 2022 in Review

Introduction...May was a busy month with activities and learning. We had the European Festival, speaking contest finals, and Green School. I enjoyed spending Green School with the Grade 3 students! I think we had a great deal of fun during the week in addition to learning new things.

In English Language, we read our third novel, "Gulliver's Travels" and completed a lapbook about the book. We learned a new spelling game, Sparkle, that we use to prepare for our spelling quizzes.

In Mathematics, we learned about bar graphs and circle graphs.

In Social Studies, we continued to learn

about the physical and population geography of Ontario Canada.

In Science, we learned about plants; the parts of plants and how plants change with the seasons. We also planted flower seeds to grow for Mother's Day.

In Art, drew a picture for Mother's Day using Art for Kids Hub on youtube. We also drew and colored a picture of Big Ben for our study of the UK for European Festival.

Happy May!

Ms. Sue

IMPORTANT DATES:

1 June – Children's Day

7 June – Sports Day
