

October

Grade 0 Newsletter – October in Review

Introduction...

We finished September with Empathy Day and learned a few letters of American Sign Language! We took a trip to visit the firefighters and the Polish Independence Museum.

In English Language,

We learned more sight words, the sounds of letters F through K, prepositions about capital and lowercase letters.

In Mathematics,

We began learning addition with numbers 1 through 10 and also 1 various shapes – even pentagons and hexagons!

In Science,

We learned about wild animals that live in different parts of the world: lions in the African desert, toucans in the South American rainforests, polar bears in the Arctic, penguins in Antarctica and also farm animals!

In Social Studies,

We wrapped up our All About Me books, talking about what makes us unique. We began learning about community helpers and the goods and services they provide.

In Art,

We made art reflecting how nature changes in all four seasons and made drawings and crafts for fall and Halloween!

Happy October!

Miss Kelly

Pictures, pictures, pictures!
