

November

Grade 0 Newsletter – November in Review

Introduction...

This month was full of fun: we honored our country with Patriotic Eve, took a historical trip and celebrated American Thanksgiving!

In English Language,

We learned the sounds of /m/-/s/ as well as short and long vowel sounds – we are on our way to reading! We sang our Sight Word Rap with the word and started learning prepositions.

In Mathematics,

We practiced writing numbers and equations. We did mental addition and learned what numbers can be added to get to 10!

In Social Studies,

We profiled different workers, like crossing guards, teachers, police officers and parents. We played “Who am I?” and guessed different community helpers.

In Science,

We studied different types of seeds and their properties. We learned what seeds need to grow into plants, and how they change in each season.

In Art,

We learned how to express ourselves and finger-painted our own masterpieces! We started holiday crafts from around the world, like poinsettia ornaments.

Happy November!

Miss Kelly

IMPORTANT DATES:

December 15th: Christmas Celebration

December 23rd-31st: Christmas Break

December 24th: Christmas Eve

December 25th: Christmas

Pictures, pictures, pictures!
