

November

Grade 1 Newsletter – November in Review

Introduction...

November was an exciting month: we had our first snowy spelling quiz, Patriotic Eve, a historical museum trip and celebrated Thanksgiving!

In English Language,

We learned about family traditions and traditions from around the world, like Chinese New Year, with special guest Ms. Xiang.

In Mathematics,

We conquered addition and subtraction by 1, 6 and 10! We solved math riddles and created different ways to solve word problems with creative math equations.

In Social Studies,

We learned about important places that are meaningful to us, but also the world. We finished by profiling important places around the world!

In Science,

We learned about the growth of living things, like animals, humans and plants. We even measured our own tree to estimate its age!

In Art,

We focused on music and art from Africa. We sang "Che Che Kulay" from Ghana, built South African Ndebele houses and drew traditional African masks.

Happy November!

Pictures, pictures, pictures!

IMPORTANT DATES:

December 15th: Christmas Celebration

December 23rd-31st: Christmas Break

December 24th: Christmas Eve

December 25th: Christmas
