

# January

## Grade 0 Newsletter – January in Review

Introduction...

We began our Skittles investigation for the school Science Fair Project and celebrated Lego Day by creating scenes from *Three Billy Goats Gruff*.

In English Language,

We started to read 4 letter CVC words and described a bit about our world! We reviewed prepositions and WH-question words. We learned new sight words and started to

read short stories on our own.

In Mathematics,

We learned how to tell time by 5s with our Hip Hop Around the Clock song, and also wrote about our day by looking at the time. We reviewed numbers 1-20.

In Social Studies,

We read about people and animals that live in different habitats. We made communities in each habitat (river,

mountain, island) using blocks!

In Science,

We talked about how we take care of our physical, dental and emotional health. We built healthy plates with our food group collage!

In Art,

We learned about warm and cool colors from the artist Ted Harrison. We explored these colors in nature and made our own color wheel bookmarks!

## Pictures, pictures, pictures!

Happy January!

Miss Kelly

### IMPORTANT DATES:

Science Fair Project:  
February 6<sup>th</sup>  
Winter Break: February  
13<sup>th</sup>-24<sup>th</sup>
