

Grade 6 June News

Language Arts...

Students have been doing a great job staying focused and on task. They are finishing up the last few readings in the Keystone Books about the future. We have continued to complete poetry activities and created a summer sunset using pastels. Students were also able to create a trip with an unlimited budget and share it with the class.

Mathematics...

Students were able to take their foot off the pedal as far as math intensity. Finishing off the year with more fun math related activities to finish the year on a good note.

Science...

Students finished the year working on birds after a very long reptile project. They work hard on their own and did a good job on their presentations in both English and Polish.

History...

Students have completed the curriculum and are focusing on extra lesson, specifically about the U.S. Constitution and the Bill of Rights. They also watched a video about the explorer James Cook.
