

Grade 7 June News

Language Arts...

Students have finished up the last unit that we wanted to cover in the Keystone books. They have created vocabulary puzzles and word search, refreshing their spelling skills. They wrote acrostic poems about summer. We have also decided to create a pastel sunset that captures the excitement at the beginning of summer.

Mathematics...

Students were able to take their foot off the pedal as far as math intensity. Finishing off the year with more fun math related activities to finish the year on a good note.

Science...

Students finished the year continuing to learn about body systems. They completed work on the eye and ear, learning about various tests that can be done to learn about other humans.

History...

We have finished up the topics from the curriculum. Students were busy gathering information about World War II to prepare for the first unit of next year.
