

# Grade 8 June News

## Language Arts...

Students finished the year reading "The Hunger Games" and working on their speeches in English for the end of the year program. Students worked hard to put together their dances and order to present themselves for the program.

## Mathematics...

Students were able to take their foot off the pedal as far as math intensity. Finishing off the year with more fun math related activities to finish the year on a good note.

## Science...

Students finished the year working on Ecology and various project ideas. Students did a good job and are ready for the end of the year.

## History...

Students have completed the curriculum and were able to learn a little bit about the last two president in the USA. They also watched a documentary about the space race from the perspective of the US.
