

October

Grade 1 Newsletter – October in Review

Introduction...

This month we had our magical Pan Kleks themed Pledge Ceremony! We sang The Magic School Bus theme song and recited a poem on friendship during our performance. We hope you enjoyed it!

In English Language,

We had a Spelloween quiz, charted the main idea and supporting details of the Cornerstone story "Bud and His Dad" and learned about homophones and homonyms too!

In Mathematics,

We wrapped up our unit on comparison and began ordering and sorting items.

In Social Studies,

We discussed special people in our community and in our lives. We also talked about places that are important to us, like school, parks, church and more! We ended with special events - like Pledge Day!

In Science,

We listed facts about all five senses and made diagrams of their corresponding sense organs! After each lesson we completed an experiment with the sense we learned about. Did you know if you hold your nose, you won't be able to taste food very well? Give it a try!

In Art,

We learned about more artists including American painter Homer Winslow. Later we learned about Spanish artist Joan Miró and made art in both of their likenesses!

Pictures, pictures, pictures!

Happy October!

Ms. Kelly

IMPORTANT DATES:

November 1st - All Saint's Day (School Closed)
 November 2nd - Day Off
 November 3rd - Day Off
 November 23rd - Thanksgiving Day
