

Grade 7 November Newsletter

Language Arts...

Students are finishing up the first novel and completing all the independent reading tasks. We are continuing to tackle the readings in the Keystone books and reviewing grammar topics. We did a general overview of the spelling words as a quick preparation for the spelling bee. We continue to write and practice speaking.

Math...

Students looked at scales and maps and how to work with measurement and ratios. We tackled percents, fractions and decimals and we continue to work on this by completing several projects and practice worksheets.

Science...

Grade 7 science has been focused on nutrition, the skeletal system and the urinary system. Students know and understand how important it is to look after your body.

History...

Students began a poster project about various different topics including: the Union of Germany, the Union of Italy, the American Civil War and Colonization. Students are tasked with researching and creating posters in groups in order to present to their peers.
