

# Grade 5 April Newsletter

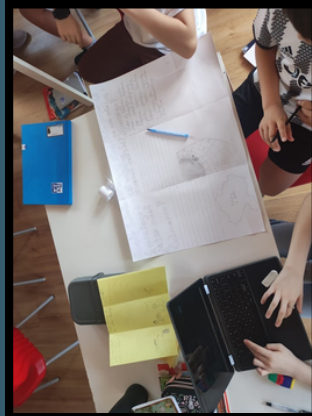

## Language Arts...

The students have been practicing very hard for their speaking contest this month. They practiced their informative speeches in class, and did their final presentations this week! Oliwia has been picked to represent her class. Congratulations!

## Math...

We continued working with areas of triangles, kites and rhombuses, as well as parallelograms. Students created their own figures using shapes and calculated the areas of all the shapes used.

## Science...

The students in grade 5 have been learning about pteridophytes. The students did a reading and comprehension task as well as a video comprehension and a front cover book design on the topic.

## History...

Students continued to work in project form. They researched information about: the reign of Bolesław the Brave, Saint Adalbert and his mission, the reign of Mieszko II and the fall of the Piast dynasty, Reconstruction of the Polish State, the reign of Bolesław the Bold, and Bolesław Wrymouth.
