

March

Grade 2 Newsletter – March in Review

Introduction... Spring is finally here and Grade 2 students did an excellent job with this month's Spelling Contest!

In English Language,

Students are halfway done with reading *Aliens for Breakfast* and they're retelling the chapters through a comic! We've also briefly practiced our grammar with a fun writing using prepositions.

In Mathematics,

the students finished learning divisions of numbers from 1-10. They have moved on to learning fractions and how to compare them.

In Social Studies,

It's been exciting to learn about different countries around the world such as Iceland, Brazil, and Canada! We've also briefly learned the climates of the world too!

In Science,

we've been learning about all sorts of energy. We are mainly focusing on wind energy and also made a wind turbine!

In Art,

we've been enjoying ourselves with some 3D drawing that can also trick the viewer's eyes and incorporated anamorphic to them.

Happy March!

Miss Jen

IMPORTANT DATES:

April 16th -
Parent-Teacher Meeting
April 23rd - Speaking Contest

Pictures, pictures, pictures!
