

# March

## Grade 3 Newsletter – March 2024 in Review

Introduction... March, the month when we celebrate St. Patrick's Day, spring begins, and the clocks spring forward!

In English Language, we resumed spelling lessons and quizzes after a break because of the Spelling Bee. Speaking of the Spelling Bee, I want to congratulate all the participants! In first place was Tymek; second place was Jan R.; third place was Ernest. We are currently working on Unit 4 of the Cornerstone Reading curriculum. Also, the students are continuing to improve their reading skills and strategies via IXL.com.

In Mathematics, we are learning about data. We learned how to make bar graphs and

pictographs. The students are learning the skills to allow them to complete a classroom survey activity. The students are also working on their math skills via IXL.com.

In Social Studies, we are learning about Ancient Greece.

In Science, we are learning about force and motion. We will complete the unit soon and focus on the science fair project.

In Art, we learned a little bit about origami. Now we are learning about impressionism and Claude Monet.

I am glad Spring has arrived! Happy Spring!

Ms. Sue

Our class finalists:  
Shayne, Ernest, JJ,  
Tymek, and Astor
